Bonus qualification: LT Invest program

THE LIFESTYLETRADING YEM INVEST PROMOTION !!

YEM... Your Everyday Money

The YEM is an internationally established digital currency.

Compared to the more than 1000 other so-called crypto currencies worldwide, the YEM presents itself and functions completely differently and offers everyone the opportunity with "him" to have real value and the digital means of payment of tomorrow today Receive!

As a member of the LifestyleTrading community you have already dealt with crypto (digital) currencies and by the time you decide to start an LT Invest program you will be familiar with the process of exchanging euros or US dollars for Bitcoin (BTC) in order to convert them into to start a dollar invest and receive Bitcoin in the course of a payout.

Crypto (digital) currencies have become an integral part of modern times and will continue to influence our lives in the future and redefine the way we deal with "money"!

Born as an idea in November 2011, the YEM was developed in 2017 by more than 3700 Internet users as a counter-concept to Bitcoin (BTC) and

Co. and has since developed as a means of payment, the preferred currency within the SafeZone for the purchase of goods and services and as a international digital currency, with a stable and steadily increasing value, established globally.

The declared goal is to integrate the YEM worldwide as an alternative means of payment to FIAT money (USD, EUR, GBP ...) in everyday life and to be able to use it for everyday things, which is a gigantic, if not even, goal for this declared goal Unique opportunity means that you too can be a part of it.

YEM ... A protected natural currency without data abuse

Privacy instead of anonymity

Stability instead of volatility

Fast, secure and inexpensive transactions

Worldwide tax security

Easy to use ...

These are just a few points that make the YEM unique ...

Knowing these and many other unique features, the YEM was integrated into the LifestyleTrading project and is available to every member of the LifestyleTrading community via the "YEM Welcome Bonus", the "YEM Starter Bonus" and the "YEM Bonus Option" for payouts "given" and offered as added value.

THE "YEM-INVEST-ACTION"

With the "LifestyleTrading YEM-Invest-Aktion" the project is now taking a further step and offers you another and perhaps even unique opportunity to use YEM as a means of payment in the LT project (!) and to be able to start investing programs through the use of YEM = US Dollar!
